

ICAME40 — THIRD CIRCULAR

May 7, 2019

Dear ICAMERs,

It's less than a month until ICAME40!

Registration. If you haven't registered yet, **please do so immediately** via our registration form at <https://icame40.ch/registration>. The conference is filling up and the maximum of 200 delegates might be reached before registration closes on **May 16**. Hence, we are paging particularly all attending (co-)presenters to register ASAP to avoid disappointment.

Abstracts/program. The conference program and the book of abstracts are available **on the website**. A printed BoA will be included in your conference bag if you requested one during registration.

Venue. Maps on how to get to the venue are below. They are also **on our website**.

Getting here. If you haven't booked your airport transfer, check sbb.ch for early bird fares. Full fare tickets are valid on all train types, provided you travel on the route specified on the ticket. The IC5 to Neuchâtel is a tilting train, marked as *TT* at sbb.ch. Although a very rare occurrence, get off and use a regional train if you experience travel sickness.

Electricity. Switzerland (230V) uses the rare **J sockets**, which are compatible with the 'slim' **C plugs** (aka **Euro plug**), but not with the 'fat' **E, F, or Schuko plugs**. Check if you can buy adaptors before you travel as they are quite pricy in Switzerland (CHF 10–30, depending on the system of origin).

Presentations. You can bring your presentation on a USB stick or use your own computer. All rooms are equipped with Windows computers (Acrobat, PowerPoint, Internet access) and an audio system. VGA/HDMI cables are installed to connect to the projector; if you bring a computer with a different connection, remember to bring an adaptor. The presentation canvases are rather large and can accommodate wide screen presentations.

Posters. Format: The size of the poster stands is A0 portrait (84cm x 119cm); if you need to use *A0 landscape*, please let us know by May 20. **Mini plenary:** Right before the poster session, presenters will advertise their poster to the general audience in the Aula. These plenaries must not exceed 3 minutes, with a maximum of three slides (excl. title slide). Presentation slides must be sent to icame40@unine.ch by Friday, May 31. Please also see the separate mail to poster presenters for more information.

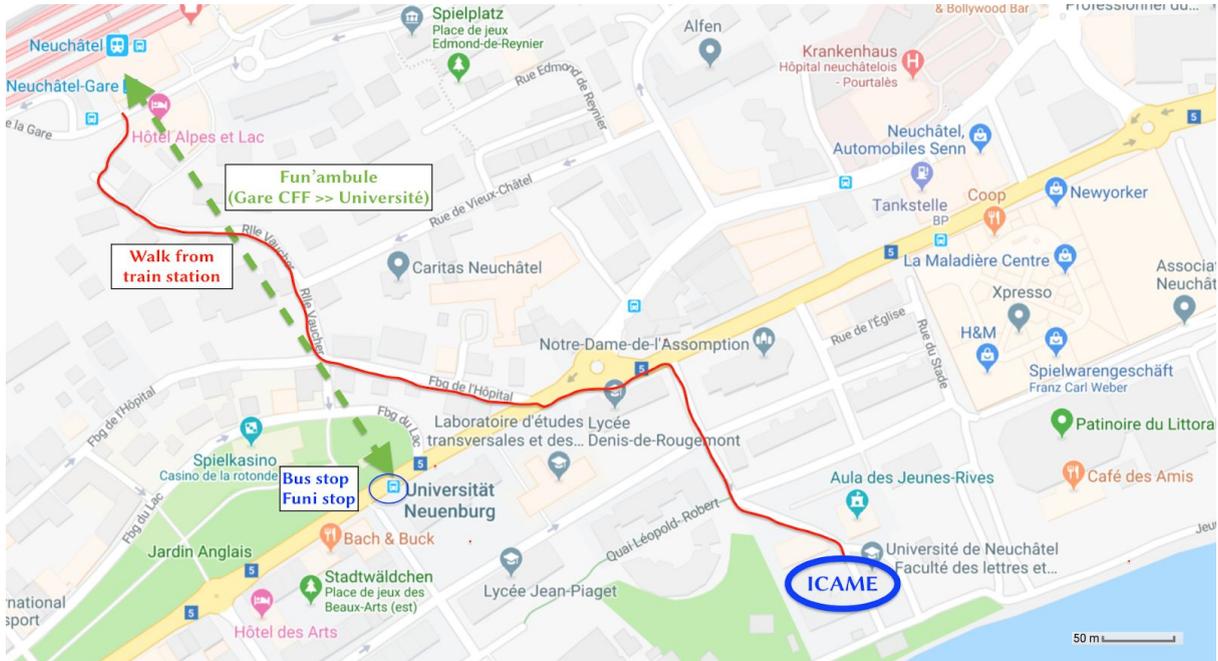

Accompanying partners. Tickets are available for partners who would like to join the boat trip and the conference dinner. These can be picked up and paid in cash (Swiss Francs) at the conference registration desk. To make sure that we can accommodate everybody, please reserve your partners' tickets via [this form](#).

Contact. As always, if you have questions, contact us at icame40@unine.ch. Our website is icame40.ch and we're [@icame40](https://twitter.com/icame40) on Twitter. Check out the latest with the hashtag [#icame40](https://twitter.com/hashtag/icame40).

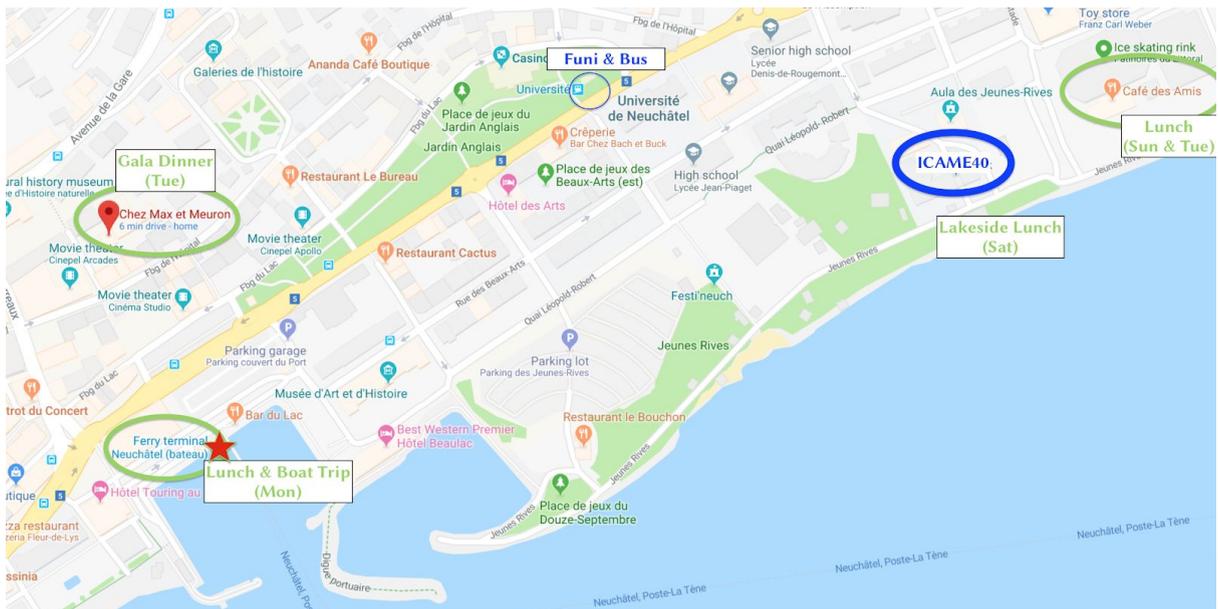

A bientôt à Neuchâtel!
